## Precast bunker silos

- Unlike traditional silos, our precast silos require no maintenance, elevators or augers.
- Easy access to the product, easy installation by trained Lindsay Precast staff and easy to move to accommodate your needs.
- Corn & hay silage, storing landscaping materials and recycling are a few of the multiple uses of our silos.
- Safety is a huge benefit to our precast silos, unlike traditional upright silos.
- Large volume storage capacity, low cost per ton silage storage, low initial investment and low annual fixed cost are a few economical benefits to precast bunker silos.
