Precast Box Culvert

- Our products provide easy installation and proven durability in a variety of shapes, sizes and treatments.
- Our box culverts are environmentally friendly for nearly any water conveyance application.
- Our box culverts have a long life-cycle and require very little maintenance.
- We operate in a controlled environment and our products are built to ASTM standards.
- We offer wing walls, attached headwalls, detached headwalls, footers, skews, and an on-site fabrication shop to aid with custom projects.
- We provide engineering assistance through all phases of your project.
